# University Grille

AT THE SHIPPEN PLACE HOTEL

The University Grille opened in January 2011 under the guidance of Mike Kalathas, Culinary Institute of America graduate and owner of the Orchards Restaurant in Chambersburg PA. Today, the walls of the University Grille are decorated with historic portraits of former principals and presidents at Shippensburg University dating back to the 1870's when the college was known as the Cumberland Valley State Normal School. These Portraits were put up in respect for all the leaders who made Shippensburg University the institution it is today.

The current direction of the University Grille is lead by General Manager & Co-Owner Mitchell Burrows and Head Chef Steven Walczyk. We invite you to relax and enjoy the great food, fine spirits and friendly atmosphere we have to offer.
